

AC ⚡ ARC

This is to certify that the Gator Amateur Radio Club
is a member in good standing of the Association of Collegiate
Amateur Radio Clubs. It shall be the purpose of this Association to
assist College Clubs through an exchange of information enabling
each Club to get help for its individual problems from other Clubs
and to foster a spirit of Fellowship between College students in
all parts of the country. The Association will do its best to
encourage increased activity by College Stations and to assist
in the founding of other Clubs when requested.
