in commemoration of Armed Forces Day

Date 16 MAY 1981

Capt. P. L. Dudley, USN
Commanding Officer

K3NAL

Douglas S. Crompton
Station Trustee

The U.S. Naval Air Development Center is located at Warminster, Pennsylvania, about twenty miles north of Philadelphia. The mission of the Center is to conduct research, design, development, test and evaluation in all fields peculiar to aeronautics, including medical research as applied to space flight.
